80gsm, woodfree cast coated paper coated with a black block out adhesive
Exceptional gloss and smoothness.
Excellent whiteness
Opaque

Adhesive Available adhesives: PERMANENT block out.

Backing White high density kraft paper with excellent lay flat properties.

Printing Information

Litho: Treat as a cast-coated paper using appropriate inks.
Die cut labels - use extra low tack inks (formulated - not reduced) and hard blanket.

Laser: Where possible print solids on 2 stations rather than 1.
Exceptional laser printing results particularly on colour reproduction. Beware of static build up in dry environments which may cause multiple feed.
Set paper type as 'heavy weight'.

Copier: See laser.

Ink Jet: Not suitable.

Indigo: Indigo approved.
General:

Availability Available in ranges: PCL3 Digital®
