

Product Specification

Description **Felt Marked (IDP)**
Natural pure cellulose paper felt textured to give a highly distinctive print finish. Due to its high stiffness it is not recommended for small diameter curved surfaces. High wet strength paper making it suitable for bottle labelling.

Adhesive Available adhesives: PERMANENT

Backing White high density kraft paper with excellent lay flat properties.

Printing Information

Litho: Paper is indigo top treated - check suitability if using inks solely for use on uncoated papers.
Die cut labels - use extra low tack inks (formulated - not reduced) and hard blanket.

Laser: Excellent laser printing qualities - particularly for high speed. Check image/paper suitability as material has fibrous surface finish.

Set paper type as 'heavy weight'.

Copier: See laser.

Ink Jet:

Indigo: Indigo approved

Availability Available in ranges: PCL3 Digital®
A3

Warranty:

Information and recommendations are based on our most up to date knowledge and experience.
