Product Specification

Label Connections Ltd
+44 1480 211222

Description

Gloss White
80gsm, woodfree cast coated paper.
Exceptional gloss and smoothness.
Excellent whiteness and opacity.

Adhesive

Available adhesives: PERMANENT

Backing

White high density kraft paper with excellent lay flat properties.

Printing Information

Litho:	Treat as a cast-coated paper using appropriate inks. Die cut labels - use extra low tack inks (formulated - not reduced) and hard blanket. Where possible print solids on 2 stations rather than 1.
Laser:	Exceptional laser printing results particularly on colour reproduction. Beware of static build up in dry environments which may cause multiple feed. Set paper type as 'heavy weight'.
Copier:	See laser.
Ink Jet:	Not suitable.
Indigo:	see Cast Coated IDP grade
General:	

Availability

Available in ranges: PCL™
A4+
Digital Office

Warranty:

Information and recommendations are based on our most up to date knowledge and experience. As the products are used outside our control we cannot take any responsibility for any damage which may be caused when using the product.
The product information should be used as a guide only - please request samples for testing if unsure of any aspect of the application or print process compatibility.
